Seminars

The Division of Workers' Compensation offers seminars to educate those participating in the Colorado workers' compensation system regarding current rules, procedures, policies, and forms.

Seminars and presentations include:

- ◆ Level I Physicians' Accreditation
- ◆ Level II Physicians' Accreditation
- ◆ Educational Seminars

In addition, a pool of Division speakers are available for a variety of presentations on workers' compensation subjects.

- ◆ Division Overview
- ◆ Claims Processing
- ◆ Carrier Practices
- ◆ Premium Cost Containment
- ◆ Medical Treatment Guidelines
- ◆ Coverage Enforcement

Continuing Education Credits are available for many of our seminars and presentations.

Communications Unit

The Communications Unit exists to provide quality, accessible information about Workers' Compensation to our public.

To accomplish this, we make available to our customers informative publications, Workers' Compensation forms, and educational seminars and presentations.
