LIST OF SPECIALTIES – SECTIONS REQUIRED FOR LIMITED ACCREDITATION ALONG WITH LEGAL, ETHICAL, ADMINISTRATIVE AND NEUROLOGICAL

	<u>SEMINAR</u>	<u>HOME STUDY</u>
Allergy	Neurological Lecture with case Vision, Ear, Nose, Throat, GI lecture with case Pulmonary/Cardio Lecture Pulmonary Workshop Dermatology Lecture Mental Behavioral Impairment Lecture Mental Behavioral Impairment Workshop	Neurological Curriculum with case Vision, Ear, Nose, Throat, GI curriculum Pulmonary/Cardio Curriculum Pulmonary Cases Dermatology Curriculum Mental Behavioral Impairment Curriculum Mental Behavioral Impairment Case

LIST OF SPECIALTIES – SECTION REQUIRED FOR LIMITED ACCREDITATION ALONG WITH LEGAL, ETHICAL,
ADMINISTRATIVE AND NEUROLOGICAL (Cont'd)

	<u>SEMINAR</u>	<u>HOME STUDY</u>
Cardiology / Cardio - Vascular Surgery	Neurological Lecture with case Pulmonary/Cardio Lecture Pulmonary Workshop	Neurological Curriculum with case Pulmonary/Cardio Curriculum Pulmonary Cases
Dermatology	Neurological Lecture with case Dermatology Lecture Mental Behavioral Impairment Lecture Mental Behavioral Impairment Workshop	Neurological Curriculum with case Dermatology Curriculum Mental Behavioral Impairment Curriculum Mental Behavioral Impairment Case
Neurology & Neurosurgery	Neurological Lecture with case Upper Extremity Lecture Upper Extremity Impairment Workshop Spine/Lower Extremity Lecture Lower Extremity Impairment Workshop Spine Impairment Workshop Inclinometer Workshop Spinal Apportionment workshop Vision, Ear, Nose, Throat & GI lecture with case Mental Behavioral Impairment Lecture Mental Behavioral Impairment Workshop	All curriculum sections EXCEPT Pulmonary/Cardio & Skin Diseases Neurological Case Upper Extremity Impairment Cases Spine Impairment Cases Lower Extremity Impairment Cases Mental Behavioral Impairment Case
Ophthalmology	Neurological Lecture with case Vision, Hearing, Ear, Nose & Throat Gastrointestinal Issues Lecture with Case	Neurological Curriculum with case Vision, Hearing, Ear, Nose & Throat Gastrointestinal Issues Curriculum

LIST OF SPECIALTIES – SECTION REQUIRED FOR LIMITED ACCREDITATION ALONG WITH LEGAL, ETHICAL,
ADMINISTRATIVE AND NEUROLOGICAL (Cont'd)

	<u>SEMINAR</u>	<u>HOME STUDY</u>
General Orthopedics (Take <i>all</i> sections listed)	Neurological Lecture with case Upper Extremity Lecture Upper Extremity Impairment Workshop	Neurological Curriculum with case Upper Extremity Curriculum Upper Extremity Impairment Cases
Orthopedics - <i>Extremities Only</i> Do NOT need to take the sections marked with **	Spine/Lower Extremity Lecture Lower Extremity Impairment Workshop Spine Impairment Workshop** Inclinometer Workshop** Spinal Apportionment workshop**	Spine/Lower Extremity Curriculum Lower Extremity Impairment Cases Spine Impairment Cases** Inclinometer Curriculum**
Orthopedics- <i>Spine only</i>	Neurological Lecture with case Spine/Lower Extremity Lecture Spine Impairment workshop Spinal Apportionment Workshop Inclinometer Workshop	Neurological Curriculum with case Spine/Lower Extremity Curriculum Spine Impairment Cases Inclinometer curriculum
Orthopedics- <i>Lower Extremity only</i>	Neurological Lecture with case Spine/Lower Extremity Lecture Lower Extremity workshop	Neurological Curriculum with case Spine/Lower Extremity Curriculum Lower Extremity Impairment cases
Otolaryngology	Neurological Lecture with case Vision, Hearing, Ear, Nose & Throat, Gastrointestinal Issues Lecture with case	Neurological Curriculum with case Vision, Hearing, Ear, Nose & Throat, Gastrointestinal Issues Curriculum
Plastic/Hand, Hand/Ortho & Hand Surgery	Neurological Lecture with case Upper Extremity Lecture Upper Extremity Impairment Workshop	Neurological Curriculum with case Upper Extremity Curriculum Upper Extremity Impairment case

LIST OF SPECIALTIES – SECTION REQUIRED FOR LIMITED ACCREDITATION ALONG WITH LEGAL, ETHICAL,
ADMINISTRATIVE AND NEUROLOGICAL (Cont'd)

	<u>SEMINAR</u>	<u>HOME STUDY</u>
Plastic Surgery	Neurological Lecture with case Upper Extremity Lecture Upper Extremity Impairment Workshop Spine/Lower Extremity Lecture Lower Extremity Impairment Workshop Dermatology Lecture Vision, Hearing, Ear, Nose & Throat, Gastrointestinal Issues Lecture Mental Behavioral Impairment Lecture Mental Behavioral Impairment Workshop	Neurological Curriculum with case Hand/Upper Extremity Curriculum Upper Extremity Impairment Cases Spine/Lower Extremity Curriculum Lower Extremity Impairment Cases Dermatology Curriculum Vision, Hearing, Ear, Nose & Throat, Gastrointestinal Curriculum Mental Behavioral Curriculum Mental Behavioral Impairment Case
Psychiatry	Neurological Lecture with case Mental Behavioral Impairment Lecture Mental Behavioral Impairment Workshop	Neurological Curriculum with case Mental Behavioral Curriculum Mental Behavioral Impairment Case
Pulmonary	Neurological Lecture with case Pulmonary/Cardiovascular Lecture Pulmonary Impairment Workshop	Neurological Curriculum with case Pulmonary/Cardiovascular Curriculum Pulmonary Impairment Cases
Rheumatology	Neurology Lecture with case Spine/Lower Extremity Lecture Spine Impairment Workshop Inclinometer Workshop Lower Extremity Impairment Workshop Upper Extremity Lecture Upper Extremity Impairment Workshop	Neurological Curriculum with case Spine/Lower Extremity Curriculum Spine Impairment Cases Inclinometer Curriculum Lower Extremity Impairment Cases Upper Extremity Curriculum Upper Extremity Impairment Cases
