

## LEVEL I PHYSICIANS' ACCREDITATION REGISTRATION

The Division of Workers' Compensation is pleased to announce that physicians may attend and test at a one-day seminar or complete the home study process by testing at state and community/junior college campuses throughout Colorado. Level I Accreditation, for physicians providing primary care to patients with "time-loss injuries", is designed to assist you in understanding your administrative, legal and medical role in the Workers' Compensation system.

Upon completion of this course, medical practitioners should be able to:

1. apply the Medical Treatment Guidelines to clinical cases;
2. complete forms required by the Colorado Division of Workers' Compensation;
3. apply the appropriate Rules of Procedure in matters of prior authorization and billing.

To register to become Level I Accredited, fill out and return the Registration Form on the back. **Please indicate on the Registration Form your preference to attend a seminar or complete the home study process. Be sure to give us three test dates if you chose the home study process.** A seminar is scheduled for May 25, 2006 in Denver, Colorado (Doubletree Denver/North). Upon receipt of your registration, you will receive a confirmation letter according to the process selected. If you select home study, the curriculum will be mailed and you will be notified of your test date.

If you choose the home study process, please see the attached schedule of available testing times at each college. The Accreditation Test itself will take one hour. You may take the test at one of the following locations:

Adams State College	-	Alamosa
Aims Community College	-	Greeley
Colorado Mountain College	-	Steamboat Springs/Aspen/Vail
DOWC Division Office	-	Denver
Fort Lewis College	-	Durango
Mesa State College	-	Grand Junction
Northeastern Community College	-	Sterling
Otero Junior College	-	La Junta
Pikes Peak Community College	-	Colorado Springs
