EMPLOYMENT SERVICES OF WELD COUNTY AND AIMS COMMUNITY COLLEGE TO HOST BUSINESS CAREER FAIR

Event comes to Aims Community College on March 27

(GREELEY) – Employment Services of Weld County and Aims Community College invite job seekers to the Business Career Fair on Tuesday, March 27 from 4:30 to 6:30 PM. The fair will take place at the Corporate Education Center at Aims Community College, located at 5590 West 11th Street in Greeley.

If you think job fairs don't offer a diversity of opportunities, come to this event. "This job fair has something for everyone," says Marie Llamas of Employment Services of Weld County. "You'll discover positions available at all levels – part-time, full-time, summer jobs for older teens and career opportunities for people interested in making a career change. Best of all, we have over forty companies represented and they will be there because they're looking to fill immediate openings."

And, she adds, it's a very time-effective way to meet with recruiters from a wide variety of companies. "During one afternoon, you can meet with dozens of company representatives. Job seekers can set up interviews and establish valuable new contacts in much less time than this kind of networking normally takes."

The event on March 27 offers job seekers some unique opportunities:

- **Learn** about jobs at leading businesses in Weld County.
- **Talk** to representatives from companies and agencies.
- **Interview** with professionals in an informational setting.
- **Meet** with professionals from the Workforce Center and learn about the free services they can provide you.
- **Gain** an edge on your career search by developing relationships with professionals in the fields that interest you.

Make the most of this opportunity by being prepared! "Keep in mind that although the atmosphere may be casual, the recruiters you'll be talking with are looking for employees who are the right fit," Marie Llamas advises. "So be personable and ready to summarize your skills in a noisy environment. The goal is to leave a clear impression of the benefits you have to offer. If possible, bring a current résumé; remember the Workforce Center can help with résumé preparation."

The 2007 Business Career Fair is sponsored by Employment Services of Weld County and Aims Community College.
